Welcome to

Spanish, Ontario

A Gift to You from the

Shedden Community Development Corporation

www.sheddencorp.com

Congratulations on your decision to move to/visit Spanish. You are in for a time that will become a happy memory to look back upon and smile. You are now in one of the most beautiful spots in our vast province and Shedden Community Development Corporation, a non-profit volunteer community group devoted to creating, maintaining, enhancing, and promoting area social, business, and economic development, has produced this booklet to help you take advantage of all there is to see and do here as well as inform you of the services available to residents and visitors alike. **ENJOY!**

The Town of Spanish roots are based in logging for its vast supply of timber and its access to Lake Huron from the Spanish River, along the North Channel to Lake Huron. We are a Town within a wilderness paradise that is easily accessible whether by boat or on one of our hiking trails. With our differing waterfronts, all types of boating are enjoyed here. Canoeing or kayaking along the River and through the marshes, or boating and waterskiing while touring Lake Huron, there are spectacular sights along the way. A 15 minute boat ride will take you to the world famous Benjamin Islands where you'll think you're in the Caribbean. We have an abundance of wildlife from bears, wolves, red fox, beavers, and moose, to varying types of waterfowl and birds of prey.

Accommodations can be found along our waterfront or right in town. All your shopping needs can be met within our town limits, leaving more time for you to enjoy the paradise that awaits around every corner.

Whether you are just passing through, staying for a vacation, or making your stay permanent, we hope this booklet will become a handy reference while you are here.
